ROSARIO PEREZ

UX/UI DESIGNER • FRONT-END DEVELOPER

McKinney, TX | linkedin.com/in/rosario-perez-ux

PROFESSIONAL PROFILE

UX/UI designer and front-end developer with 5+ years of freelance design experience and formal training through UT Austin. Builds user-centered interfaces using Figma, HTML, CSS, and JavaScript, with experience in research, prototyping, responsive design, and usability testing. Brings hands-on project ownership and leadership experience managing teams of 80+.

CORE SKILLS

Design: User research • Wireframing • User flows • Prototyping • Usability testing • Responsive design • Accessibility
Development: HTML • CSS • JavaScript • Front-end implementation
Tools: Figma • Adobe Illustrator • Adobe Photoshop | Languages: English • Spanish • Portuguese

DESIGN & DEVELOPMENT EXPERIENCE

Freelance UX/UI Designer & Graphic Designer | Self-employed | 2019–Present

- Designed 20+ logos, brand identities, and digital assets for small businesses and startups.
- Produced responsive website layouts, wireframes, and interactive Figma prototypes with usability and accessibility in mind.
- Conducted user research and usability testing; applied feedback to refine design decisions.
- Supported client websites with HTML, CSS, and JavaScript while managing multiple projects and deadlines.

LEADERSHIP & OPERATIONS EXPERIENCE

Unit Manager | Waffle House | Plano, TX | Present

- Lead daily operations, coach employees, and coordinate service in a fast-paced environment.
- Monitor sales, labor, food costs, inventory, and waste to support performance goals and operational standards.

Operations Manager | Hideaway Pizza | McKinney, TX | 2025

- Managed front- and back-of-house operations and trained a team of more than 80 employees.
- Oversaw inventory, purchasing, labor and food costs, and health and safety compliance.

Earlier experience: Server/Bartender & Trainer — The Yard (2023–2025); Server Manager — Sherlock’s Pub & Restaurant (2021–2022); Assistant Manager — Atlantic Surf Club (2016–2017).
